Veloxis Pharmaceuticals A/S Grants Warrants Under Existing Warrant Program

Today, the Board of Directors of Veloxis Pharmaceuticals A/S has decided to grant warrants to eleven key employees of the Company under the existing Warrant Program covered by the authority pursuant to section 5C of the Company's Articles of Association. Thus, the Board of Directors of the Company has today partly exercised its authorization pursuant to the Articles of Association.

The purpose of the grant of warrants is to reflect the Company's objective to attract and retain first-rate employees and thus ensure a long-term shareholder value creation. The grant of warrants shall ensure to create - both in the short and in the long run - common interests between board members and employees and the shareholders of the Company.

In total 1,375,000 warrants are to be awarded, giving the right to subscription of up to 1,375,000 shares each of DKK 0.1. The exercise price is fixed at DKK 1.12.

The warrant holders earn the right to exercise warrants with 1/36 per month as from the date of grant, 01 March 2017. Warrants not exercised on 01 March 2024 expire automatically.

The issued warrants are estimated to have a total market value of USD 88,379. The market value of the issued warrants is calculated on basis of the Black-Scholes model with a volatility calculated as 52%, an interest level of 0% and a share price of DKK 1.12.
